

PLASTIBOND PART NO. 20202

- **PLASTIBOND** is an advanced 2 part adhesive kit.
- No mixing required, ready to use.
- Works on more plastics than regular Super Glue.
- Strong bond on both porous and non-porous plastics.
- Bonds polyethylene and polypropylene plastics.

DIRECTIONS FOR USE

Clean surface to be bonded. Remove white sleeve from PRIMER vial to expose felt tip. Replace sleeve on opposite end. Squeeze white sleeve to break glass inside plastic wrapped vial, allowing PRIMER to flow into felt tip. Apply PRIMER to both surfaces. Allow to dry for 1 minute. Apply 1 drop of ADHESIVE to one surface and press parts together. Hold for 35-45 seconds. Allow to cure without moving assembly. Full strength will be achieved in 10-15 minutes. Dispose of opened PRIMER vial. Retain unopened PRIMER vial for next bonding job. Store in a cool, dry place. Not dishwasher safe.

STORAGE

For maximum shelf life, replace lids and store out of direct sunlight in a cool dry place. When stored correctly, adhesive will last a minimum of 12 months.

GENERAL INFORMATION

The information and data contained herein is believed to be accurate and reliable; however, it is the user's responsibility to determine suitability of use. Since the supplier cannot know all the uses, or the conditions of use to which these products may be exposed, no warranties concerning the fitness or suitability for a particular use or purpose are made.

It is the user's responsibility to thoroughly test any proposed use of our products and independently conclude satisfactory performance in the application.

Likewise, if the application, product specifications or manner in which our products are used require government approval or clearance, it is the sole responsibility of the user to obtain such authorization.

The supplier warrants only that its products will meet its specifications. There is no use, nor any other express or implied warranty. The user's exclusive remedy and the supplier's sole liability is limited to refund of the purchase price or replacement of any product when to be otherwise than as warranted. The supplier will not be liable for incidental or consequential damages of any kind.

Suggestions of uses should not be taken as inducements to infringe any patents.
